

BOYS & GIRLS CLUB

of the Seminole Nation of Oklahoma

JANUARY IMPACT REPORT

Our Mission

To provide a safe and nurturing environment that guides each young person on their path to developing good character, a respect of culture and diversity, academic excellence and the development of a healthy mind body and spirit.

Our Club Experience

Our Boys and Girls Club fills the gap between school and home. We provide welcoming, positive environments in which kids and teens have fun, participate in life-changing programs, and build supportive relationships with peers and caring adults.

The Need in Seminole Co.

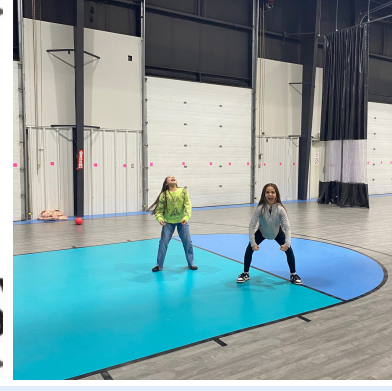

Every day in Seminole County, 1 in 4 children live below the poverty line. One Seminole County school reports as many as 20% of their students leave school having no safe, stable nighttime residence. These children and youth risk being unsupervised, unguided and unsafe. Our club is dedicated to providing them a safe & nurturing environment during those critical non-school hours.

CLUB KID SPOTLIGHT

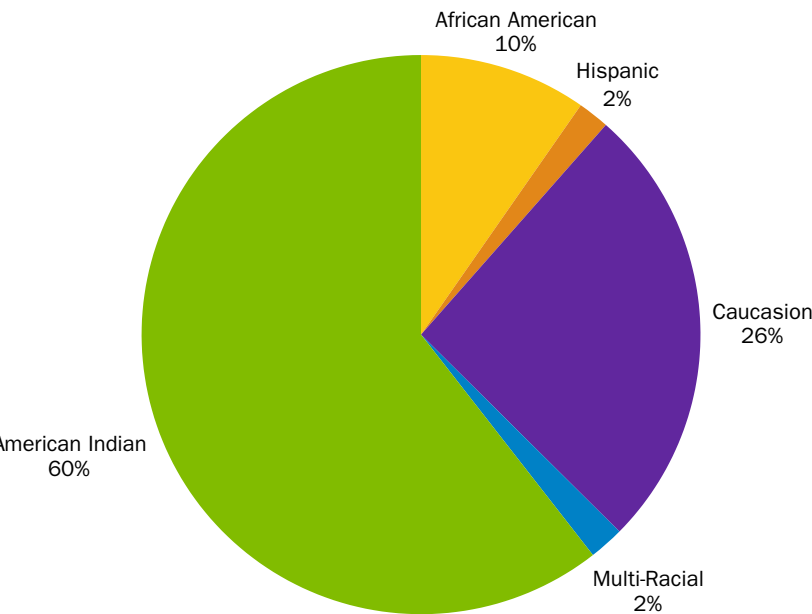

Sarah Faye Hill

- ✓ Positive and Energetic Spirit
- ✓ Always eager to participate
- ✓ Regularly Attends Club Activities.

CLUB DEMOGRAPHICS

COMMITMENT TO CULTURE

We strive to strengthen our youth's cultural identity through programming that explicitly promotes positive youth development along critical cultural, social, emotional, intellectual, and physical dimensions.

Our club staff works tirelessly to provide culturally relevant support to our diverse body of club members. We are committed to addressing the challenges and issues unique to various cultures while also celebrating their unique strengths.

Our club participates in monthly cultural programs designed to provide unique and enlightening opportunities that promote cultural learning and appreciation.

BGCSNOK RECEIVES E-SPORTS AND PODCASTING EQUIPMENT

Thanks to a generous donation from the Boys & Girls Club National Association, our Club received several game systems and games to help kickstart an exciting new e-sports program. This initiative will give our members opportunities to build teamwork, strategy, and digital skills in a fun and engaging way.

In addition, we received studio equipment that will allow us to begin developing a mixing lab and podcast studio. These new creative spaces will give youth hands-on experience with audio production, self-expression, and storytelling. We're thrilled to expand our programming and can't wait to see how our members bring these new opportunities to life!

BGCSNOK RENEWED FOR DIPLOMAS 2 DEGRESS GRANT 25K

We're excited to share that our Club has been selected by Boys & Girls Clubs of America to renew our Diplomas to Degrees grant! This renewal provides \$25,000 to continue expanding education programming, supporting academic success, and improving graduation rates and grade progression for our youth. We're grateful to continue this important work for our members.

Upcoming Events

- **February 6th Greenwood Rising Tour**
- **February 16th Club Closed for Presidents Day**
- **February 27th College Visit to OU**
